**PICTURE CAPTIONS**

**A RARE MOMENT INDEED....**for PNG Ports Corporation Limited's (PNGPCL) Lae Port this was a rare moment in the life of port operations at the Lae Port recently this year. Usually Lae Port wharves are packed to its limit with vessels calling and berthing non-stop 48 hours a day. But with the current ongoing changes at PNG Ports; the port of Lae has improved a lot in their terminal handling and cargo delivery service given the fact that the day before the photo, there were five (5) vessels working at the wharves. This picture was taken on Thursday, February 25<sup>th</sup> 2010 at 0830 hours by the Transport Sector Support Program (TSSP) advisor, Captain Cesar Dewindt who is currently attached to PNGPCL Lae Port.
