

# PUBLIC NOTICE

## RELOCATION OF PORT MORESBY PORT TO THE NEW MOTUKEA PORT

PNG Ports Corporation Limited (PNGPCL) wishes to advise all Port Moresby Port users and the general public that the relocation of the Port Moresby Port across the bay to Motukea Port will be completed on the **18th February 2018**.

PNGPCL advises that the main **Container Terminal Wharf (CTW)** adjacent to the Central Business District, Downtown Port Moresby that has been serving the international vessels/cargo will cease operations by this date.

All shipping lines, exporters, importers and the general public are advised that a stage by stage withdrawal of services from this container terminal is coming into effect as all international operations will slowly be absorbed into the Motukea Port operations. Operations are going to be temporarily absorbed into the existing Motukea Domestic Terminal operations until the new international wharf is officially commissioned for use.

PNG Ports Corporation Limited request all shipping lines, customers and the general public for their understanding and cooperation during this period.
